EDUCATION

Rajiv Gandhi University of Knowledge Technologies-AP Ongole, Andhra Pradesh

B.Tech in Computer Science Expected Graduation, April 2025

CGPA: 9.1

PROFILE SUMMARY

Full Stack Developer seeking opportunities with a reputable organization to enhance knowledge and drive career growth.

Key Skills:

- **MERN stack** :Expertise in **(MongoDB, Express.js, React, Node.js)** for scalable web applications.
- Proven ability to manage projects from planning to deployment.
- Dedicated to staying abreast of the **latest industry trends and technologies**, actively pursuing professional development to offer innovative and effective solutions.

PROJECTS

Bus Ticket Booking Application Using MERN June 2024 Current

Tools: React, MongoDB, Node ,Express,Redux, API Integration

A full-featured bus ticket application enabling users to register, authenticate, and manage their bookings seamlessly.

Responsibilities:

- Developed the front-end using React, creating a responsive and intuitive user interface.
- Implemented user authentication and authorization, ensuring secure access to the application.
- Managed the backend with Node and Express, handling data storage and retrieval efficiently using MongoDB.
- Utilized Redux for state management to ensure consistent and predictable application state.

EcoSmart eCommerce Application July 2023

Tools: React, API Integration,MongoDB, Node, Express

A sleek and intuitive web application enabling users to browse, search, and purchase products seamlessly.

Responsibilities:

- Developed the front-end using React, ensuring a responsive design that works seamlessly across desktops, tablets, and mobile devices.
- Integrated with external APIs to fetch real-time product data and pricing for an accurate shopping experience.
- Implemented a shopping cart and checkout functionality to manage user orders and payments.
- Implemented user authentication and authorization to secure user data and transactions.

CERTIFICATIONS AND ACHEIVEMENTS

- Problem Solving By HackerRank
- Workshop on SDLC By SSIT
- Introduction to SQL by IBM
- AIR10 in Coding Ninjas Premier League By coding Ninjas

SKILLS

Programming: Java, Python, JavaScript, HTML/CSS, SQL, Node.js, React.js, MySQL, C, Redux, SDLC, Data Structures

Tools: Eclipse, AWS, Git, Bootstrap, Tailwind css, Visual studio code,Power BI

Soft Skills: Adaptability, Creativity, Flexibility, Time Management, Collaboration, Critical Thinking, Problem Solving
